Year 4 2019-2020	Graphic Design - Magazine Covers	Visual programming - Kodu Project	iPad skills	Staying Safe Online	Creating games	Scratch - sequencing instructions
	Digital Literacy	Digital Citizenship	Digital Creativity	Computing	Digital Literacy	Digital Citizenship
Year 5 2020– 2021	How does the internet work?	Email and Cloud Storage - Google Apps	Office Documents and the Cloud	Visual programming - Kodu	Learning Blogs	Staying Safe Online

Computing at Meadowside promotes democracy, tolerance, respect and individual liberty through breadth of planning and lesson delivery. Freedom of expression and respect for difference are fundamental and prepare students appropriately for life in modern Britain. Computing is an evolving subject area and we learn together, taking (managed) risks and exploring emerging technologies with growing confidence.
