

Computing Curriculum Long Term Plan

KS3 & 4

	Autumn Term		Spring Term		Summer Term	
	Digital Creativity	Computing	Digital Literacy	Digital Citizenship	Digital Creativity	Computing
Year 1 2017-2018	Graphic Design - Magazine Covers	Visual programming - Kodu Project	iPad skills	Email and Cloud Storage - Google Apps	Creating games	Scratch - sequencing instructions
	Digital Literacy	Digital Citizenship	Digital Creativity	Computing	Digital Literacy	Digital Citizenship
Year 2 2018-2019	How does the internet work?	Your Digital World	BBC Micro projects	Visual programming - Kodu	Learning Blogs	Staying Safe Online
	Digital Creativity	Computing	Digital Literacy	Digital Citizenship	Digital Creativity	Computing
Year 3 2019-2020	Graphic Design - Book Covers	Visual programming - Kodu Project	iPad skills	Staying Safe Online	Creating games	Scratch - sequencing instructions
	Digital Literacy	Digital Citizenship	Digital Creativity	Computing	Digital Literacy	Digital Citizenship
Year 4 2020– 2021	How does the internet work?	Email and Cloud Storage - Google Apps	Office Documents and the Cloud	Visual programming - Kodu	Learning Blogs	Staying Safe Online
	Digital Literacy	Digital Citizenship	Digital Creativity	Computing	Digital Literacy	Digital Citizenship
Year 5 2021-2022	Learning Blogs	Staying Safe Online	Graphic Design - Album Covers	Bee Bots	How a Computer Works/Computing History	Your Digital World

Computing at Meadowside promotes democracy, tolerance, respect and individual liberty through breadth of planning and lesson delivery. Freedom of expression and respect for difference are fundamental and prepare students appropriately for life in modern Britain. Computing is an evolving subject area and we learn together, taking (managed) risks and exploring emerging technologies with growing confidence.

	Digital Creativity	Computing	Digital Literacy	Digital Citizenship	Digital Creativity	Computing
Year 1 2017-2018	Graphic Design - Posters	Visual programming - Kodu Project	iPad skills—more than just YouTube	Email and Cloud Storage - Google Apps	Games design	Scratch - designing scenes
	Digital Literacy	Digital Citizenship	Digital Creativity	Computing	Digital Literacy	Digital Citizenship
Year 2 2018-2019	The mechanics of it all	Your Digital World—dangerous Apps	BBC Micro projects—robotics	Visual programming - Kodu	Learning Blogs Sharing online	Staying Safe Online—cyberbullying
	Digital Creativity	Computing	Digital Literacy	Digital Citizenship	Digital Creativity	Computing
Year 3 2019-2020	Graphic Design - Book Covers	Visual programming - Kodu Project	iPad skills—linked to IOS 11	Staying Safe Online—not just computers	Creating games for specific audience	Scratch - sharing ideas

	<p>Accreditation for Computing is via the AQA Unit Award Scheme. Pupils will complete a unit linked to the planning, at a personalised level, ranging from Entry 1 to Level 1.</p>
